

Valletta - Capital City Tour

The Fortress City, “a city built by gentlemen”. Valletta has many titles, all recalling its rich historical past. It is the “modern” city built by the Knights of St. John; a masterpiece of the baroque; a European Art City; and a UNESCO World Heritage City.

Nowhere in Malta is the life of the Islands reflected more than here. The grid of narrow streets house some of Europe’s finest art works, churches and palaces.
